

# The right fit – Mountain Buggy

The Strollometer<sup>®</sup> is wireless and straps on and off any stroller. Just follow these simple steps to install your Strollometer on the Mountain Buggy.

## Optimal Sensor/Magnet Placement - Inside Right Rear Wheel

**1** Console Placement

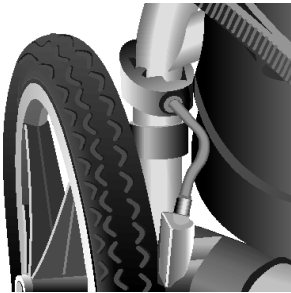

Strap console band onto the stroller handlebar.

**2** Magnet Placement

Place adhesive-backed magnet on the flat spoke of the rear wheel.

**3** Sensor Placement

Strap sensor onto stroller leg and position it over magnet. Green light on sensor will blink.
